

SUDBURY AND DISTRICT BEEKEEPERS' ASSOCIATION

BUZZWORD

May 2022

UPDATE

The Rainbow Board has asked us to remove our material from meeting room 321. Due to the pandemic and the number of students enrolled at Lo-Ellen Park Secondary School, we will not have access to this locale in the near future. Richard Conrad, our president, has retrieved the material and it is now at his home.

The Executive did meet and it was decided that we will try for a ZOOM meeting in June and a get together, outside, in the summer time. More to follow.

BUY, SELL, TRADE

POLLEN TRAPS FOR SALE

6 pollen traps

\$30 each

6 for \$150

Lionel Junkin
705-969-3034
djjunk_in@hotmail.com

MISCELLANEOUS

I have been asked and I have tried to answer to the best of my abilities/

Are there any nucs available?

Who is selling wooden ware and medical supplies locally?

Where do I order pollen?

From whom will queens be available, once Marlowe moves?

Is there anyone who wants to mentor people who want to become
beekeepers?

To whom do I pay or send my membership fees?

This last one I know.

SDBA's treasurer

Rose Aniol
