### What's the buzz?

**2025 marks our 50<sup>th</sup> year!** This year we will have a Christmas brunch date TBD for November. Also, keep tuned for plans for 50<sup>th</sup> anniversary swag and a planned BBQ next August.

September is super busy time of year for beekeepers. Beekeepers will be removing supers, extracting honey, treating for mites and starting to feed their hives if necessary. Did you know that the first of your winter bees **are already being produced?** It is important to treat for mites early so

that your winter bees have a good chance of survival.

### Help to keep us operating!
